REPORT OF DOVER CITY MISSION

*In Charge of Religious Services at the Strafford
County Farm*

Dover, N. H., February 2, 1922.

In the past year, we have found everything in very good condition. Every room and hallway in the building is clean and properly heated all over, and expressions of satisfaction are heard from everyone. No effort by the management has been spared to bring comfort to the inmates.

Religious services have been held by us on Sundays, when weather has permitted, and an average of about twenty have been in attendance. A special program was given on Christmas, and small Christmas gifts and candy were passed around to all. Good literature has also been distributed to the inmates during the year, which seem to be well appreciated by them.

Respectfully submitted,

DOVER CITY MISSION.

REPORT OF COUNTY PHYSICIAN

I herewith respectfully submit my report as County Physician.

Conditions at the farm are excellent under supervision of Superintendent Hartford and wife with the aid and care of the nurses and of the other help, and I want to thank them and you, Gentlemen, for the cooperation I have had from all in my work.
